### Summary of reasons for decision:

The computer image file printout does not deal with any matters under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. The publication is therefore unrestricted.

The printout has an image of a young girl posing outdoors in form-fitting shorts that bare the lower part of her buttocks. However, the degree of exposure is not unusual during outdoor activity and the image has a casual, natural appearance.

An unrestricted classification places no limitation on the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
